

DSWCI Tropical Bands Monitor 2008

as logged by DX-ers worldwide.

Compiled by Anker Petersen 04 February 2009. © DSWCI

◆ means that the station has been reported heard in 2008 by a DX-er during the month marked.

Unmarked months mean that no DX-er has reported this station as heard, but not necessarily, that it was off the air.

It may be useful also to have a look at the Tropical Bands Monitor for all 12 months of 2005, 2006 and 2007 at www.dswci.org/tbm.

Red entries have been added since the DSWCI published the latest Domestic Broadcasting Survey on 15 April 2008 (DBS-10).
